

Missoula OB-GYN Associates- Financial Policy

- If you are covered by an insurance plan, we will be happy to file your claim for you as long as you provide us with complete insurance billing information and the necessary signatures. We will allow 30 days for your insurance company to pay. At that time, the account must be paid in full unless payment arrangements are made.
- If you are not covered by insurance, payment will be due on the day of service unless other arrangements have been made with our office staff.
- With the exception of OB accounts, all balances 60 days and older will be charged interest at a rate of .83% per month which is equal to 10% per annum.
- If your account is referred for collection procedures because of nonpayment, you will be liable for legal and/or collection agency fees as well as court costs.

I have read and understand the above policies. I realize that I am responsible for all charges regardless of insurance coverage.
